Every arrival should be announced 24 hours in advance

**AIRPORT DATA** (ICAO code: **LJSO**)

ICAO reference code VPS: 1B

Ground frequency: 128.30 MHz (written on asphalt taxiway A in white colour)

Runways: RWY33 (Landing), RWY15 (Take-off) 330°-150°

Magnetic variation: 3° 30' E

Runway dimensions: 700 x 18 m

Taxiways: A (asphalt), Y (grass)

Runway constructed for airplane mass up to 5700 kg

ARP coordinates, center of RWY: N 46°24'00" E 15°04'40"

Threshold altitude ASL for: RWY33 is 372,74 m, RWY15 is 382,17 m

Reference temperature for July: 19,4°C

Airport accepts mostly gliders, UL, GA airplanes, helicopters and bussines airplanes

## **FLIGHT AND GROUND PROCEDURES**

Arriving traffic should enter via points E1, W1 and N1, overfly runway, observe windsock (located RIGHT of runway RWY33 close to »T«), traffic on ground and in the air and report position. Next reports will be downwind for right circuit RWY33, base leg and final. Use frequency 128,3 MHz. Transmit blind if no reply from ground. Aircraft must land LEFT from »T« and »ARROW«, showing direction of circuit. After landing pilot may taxi backtrak via runway or either side, using grass taxiways. Parking grass areas are SW of runway, at least 30 m from centerline and 21,5 m from CL of taxiway A, connecting RWY and APRON in front of hangar.

Gliders are towed from hangar to line-up position for RWY15 with electrical boogie, it takes few minutes to park them aside the runway on grass area. Expect few minutes delay.

Departures should follow procedures Variant 1 or Variant 2. Before departure and landing analize climb gradients of your airplane. West, North and East of runways are hills, not permitting take-off from RWY33. Define your minimum altitude for Missed-approach for landing runway RWY33! Check Apendicies Chapter 6. Be sure to have all important informations from Manual of Apt Šoštanj before arrival.

**TAXES:** Hire of Robin DR400/180: 3,50 €/minute

Landing tax for airplane 1500 kg or below: 6 €/landing

Landing tax for airplane 1501 kg and above: 12 €/landing

Hire glider with instructor: 100 €/1st hour, every next hour 20 €

Happy landing!
